How to order cake slices?

Getting Started · https://kuke.my/faqs/how-to-order-cake-slices/

Head to kukedesserterie.beepit.com and you will be able to see our selection of flavours for today. From there just order like any other F&B platform. Please note that deliveries will need to be within 20km of Desa Sri Hartamas for it to work. If you are further than that, you can either arrange for self-pick up and schedule a delivery service to pick up or WhatsApp us at 0189814514 and we will do our best to see if we can get our cakes to u.
